### A Board Call to Arms!!

---

The CLP Foundation is currently seeking members that are interested in serving on its Board of Directors. The board is currently comprised of 11 CLP volunteers, five who are elected by fellow CLPs. The other six are appointed by our two supporting industry associations -- NAELB and NEFA. Elected board members serve for a two-year term. Currently there are three positions open for the 2010 – 2011 term.

As stated in our by laws, a nominating committee has been formed that will choose qualified CLP candidates to run for these positions. Once chosen, the CLP's of record and in good standing will have the opportunity to vote and elect three of the nominees.

The Board and I hope that you are interested in making a meaningful contribution and will seriously consider serving as one of its leaders. You might want to give one of our Board members a call to get their input and find out about their experiences while serving. I'm sure they will be very happy to talk with you.

If you are interested in running for a board position or know of a qualified CLP you would like to nominate, please contact myself or any of the nominating committee members:

Steve Crane, CLP • Larry LaChance, CLP • Steve Tidland, CLP • Richard Walker, CLP

We also have openings on all of the following CLP Foundation's committees:

Education • Exam • Marketing • Nominating

The deadline is drawing near, please let Cindy know by October 30th if you are interested in submitting your name or that of a fellow CLP.

Sincerely,

Bob Teichman, CLP
